

**Donald Vandever**

Donald Vandever is the Director of Contracting and Head of the Contracting Services Department (CSD) at Massachusetts Institute of Technology (MIT) Lincoln Laboratory. His responsibilities include all aspects of Contracting (buying and selling); Export Control; Publication Release Reviews; Logistics (Receiving, Shipping, Stockroom, Warehouse, Calibration, Records Retention, Branded Merchandise Store); Ethics, Compliance, and Conflicts of Interest (COI); and Small and Diversity Business initiatives. Mr. Vandever oversees a group of approximately 100 highly skilled professionals performing these functions. The Laboratory's incoming funding under contracts for FY19 was over \$1.1B and the subcontracted was more than \$600M. He holds a Bachelor of Science degree in Aviation Engineering from Ohio State University, a Value Based Lean Six Sigma Black Belt certification from the University of Michigan, and has achieved the credential of Certified Professional Contracts Manager (CPCM) through National Contract Management Association (NCMA). He has held numerous positions in NCMA and has served as a Loaned Executive for the United Way campaign.
