## UNITED STATES AIR FORCE

### **BERNADETTE D. BERGER**

Ms. Bernadette D. Berger is the Technical Director of Contracting for the Digital Directorate, Air Force Life Cycle Management Center, Hanscom Air Force Base, Massachusetts. She is responsible for organizing, training and providing technical support to the 200+ contracting professionals serving under the Contracting Organization Senior Functional for Program Executive Officer Digital. She supports the Contracting and other OSF staff in executing the PEO Digital \$19B portfolio, composed of ACAT, non-ACAT, Foreign Military Sales and other programs.

Prior to her current assignment, Ms. Berger served as the Contracts Chief, Command and Control, Intelligence, Surveillance and Reconnaissance, C2ISR, Division: Hanscom Operation Location, Digital Directorate, Air Force Life Cycle Management Center, Hanscom Air Force Base, Massachusetts. She supported the Global Network Systems and Special Project branches. She led a 9 member team, while managing and prioritizing a diverse \$230M portfolio supporting High Altitude ISR operations.

Ms. Berger entered federal service in 2003 as a commissioned contracting officer at Hanscom Air Force base. In 2009, Ms. Berger became a federal civilian employee at Hanscom Air Force Base. Ms. Berger has supported \$1B Taiwan Surveillance Radar Program, the Iraqi Long Range Radar Program and several programs within the Special Programs Division.
